WHEREAS, the Council now finds that all conditions precedent to the adoption of an ordinance authorizing the issuance of the bonds have been complied with in accordance with the provisions of the Act;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY COUNCIL OF TIPPECANOE COUNTY, INDIANA, THAT:

Section 1. Authorization of the Refunding of Refunded Bonds. The Council hereby finds that it is necessary to provide funds for the refunding of the Refunded Bonds, thereby reducing its interest payments and using the savings to fund improvements to the Project and effecting a savings, as reported by the County's financial advisor, Financial Solutions Group, Inc. The refunding shall be completed and the bonds herein authorized shall be issued pursuant to and in accordance with the Act.

Section 2. Authorization of the Bonds; Registrar and Paying Agent; Book-Entry Provisions. In order to procure funds with which to pay the costs of the refunding of the Refunded Bonds, including the costs of issuance of the bonds on account of the refunding, the Board of Commissioners is authorized and directed to have prepared and to issue and sell the bonds of the County, to be designated as "Economic Development Income Tax Refunding Revenue Bonds of 2006" ("Bonds") in an aggregate principal amount not to exceed \$6,000,000 for the purpose of procuring funds to apply on the costs of the refunding, issuance costs, including premiums for municipal bond insurance and a debt service reserve surety, and all other related costs.

The Bonds shall be sold at a price of not less than 99% of the par value thereof, issued in fully registered form in denominations of \$5,000 or integral multiples thereof, numbered consecutively from 1 upward, dated as of the date of delivery, and shall bear interest at a rate or rates not exceeding six percent (6%) per annum (the exact rate or rates to be determined by negotiation), which interest shall be payable semiannually on June 1 and December 1 of each year, commencing on the first June 1 or the first December 1 after the issuance of Bonds as determined by the County with the advice of the County's financial advisor. The Bonds shall

mature semiannually, or shall be subject to mandatory sinking fund redemption if term bonds are issued, on June 1 and December 1 of each year with a final maturity no later than December 1, 2020 and in such amounts which will produce as level annual debt service as practicable with \$5,000 denominations.

Interest on the Bonds shall be calculated according to a 360-day calendar year containing twelve 30-day months.

All or a portion of the Bonds may be issued as one or more term bonds, upon election of the purchaser of the Bonds. Such term bonds shall have a stated maturity or maturities of June 1 or December 1, on the dates as determined by the purchaser of the Bonds, but in no event later than the last serial maturity date of the Bonds as determined in accordance with the above paragraph. The term bonds shall be subject to mandatory sinking fund redemption and final payment(s) at maturity at 100% of the principal amount thereof, plus accrued interest to the redemption date, on dates and in the amounts in accordance with the schedule to be determined in accordance with the above paragraph.

(b) The Board of Commissioners and the Auditor are authorized and directed to appoint a qualified banking institution to serve as Registrar and Paying Agent ("Registrar" or "Paying Agent") for the Bonds, which shall be charged with the responsibility of authenticating the Bonds. The Auditor is hereby authorized to enter into such agreements or understandings with such bank as will enable the bank to perform the services required of a Registrar and Paying Agent. The Auditor is further authorized to pay such fees as the bank may charge for the services it provides as Registrar and Paying Agent, and such fees may be paid from the bond fund established to pay the principal of and interest on the Bonds. Upon agreement between the County and the purchaser of the Bonds, the Auditor may be designated as the Registrar and Paying Agent, and, in that case, shall be charged with all responsibilities of a Registrar and Paying Agent.

The principal of the Bonds shall be payable at the principal corporate trust office of the Paying Agent. Interest on the Bonds shall be paid by check mailed by first class mail one business day prior to the interest payment date to the registered owner, as of the fifteenth day of the month preceding an interest payment date ("Record Date"), to the address as it appears on the registration books kept by the Registrar or at such other address as is provided to the Paying Agent in writing by such registered owner. If payment of principal or interest is made to a

depository, payment shall be made by wire transfer on the payment date in same-day funds. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. The Paying Agent shall be instructed to wire transfer payments by 1:00 p.m. (New York City time) so such payments are received at the depository by 2:30 p.m. (New York City time). All payments on the Bonds shall be made in any coin or currency of the United States of America, which on the date of such payment shall be legal tender for the payment of public and private debts.

Each Bond shall be transferable or exchangeable only upon the books of the County kept for that purpose at the principal corporate trust office of the Registrar by the registered owner or by its attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or its attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity, shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. The County, Registrar and Paying Agent for the Bonds may treat and consider the person in whose name such Bonds are registered as the absolute owner thereof for all purposes including for the purpose of receiving payment of, or on account of, the principal thereof and interest due thereon.

(c) The Bonds shall bear an original date which shall be the date of delivery, and each Bond shall also bear the date of its authentication. Bonds authenticated on or before the Record Date immediately preceding the first interest payment date shall be paid interest from the original date. Bonds authenticated thereafter shall be paid interest from the interest payment date to which interest has been paid next preceding the date of authentication of such Bonds unless the Bonds are authenticated after the Record Date and on or before the corresponding interest payment date, in which case interest thereon shall be paid from such interest payment date. If at the time of authentication of any

Bond interest is in default thereon, that Bond shall bear interest from the date to which interest has been paid in full.

(d) The Bonds shall be signed in the name of the County by the manual or facsimile signature of the Board of Commissioners, and the seal of the County shall be

affixed, imprinted, engraved or otherwise reproduced thereon and attested by the manual or facsimile signature of the Auditor. The Bonds shall be authenticated with the manual signature of an authorized representative of the Registrar, and no Bond shall be valid or become obligatory for any purpose until the certificate of authentication thereon shall have been so executed. Subject to registration provisions, the Bonds shall be negotiable under the laws of the State of Indiana.

(e) The County has determined that it may be beneficial to the County to have the Bonds held by a central depository system pursuant to an agreement between the County and The Depository Trust Company, New York, New York ("Depository Trust Company") and have transfers of the Bonds effected by book-entry on the books of the central depository system ("Book Entry System"). The Bonds may be initially issued in the form of a separate single authenticated fully registered Bond for the aggregate principal amount of each separate maturity of the Bonds. In such case, upon initial issuance, the ownership of such Bonds shall be registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company.

With respect to the Bonds registered in the register kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, the County and the Paying Agent shall have no responsibility or obligation to any other holders or owners (including any beneficial owner ("Beneficial Owner")) of the Bonds with respect to (i) the accuracy of the records of the Depository Trust Company, CEDE & CO., or any Beneficial Owner with respect to ownership questions, (ii) the delivery to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any notice with respect to the Bonds including any notice of redemption, or (iii) the payment to any bondholder (including any Beneficial Owner) or any other person, other than the Depository Trust Company, of any amount with respect to the principal of, or premium, if any, or interest on the Bonds except as otherwise provided herein.

No person other than the Depository Trust Company shall receive an authenticated Bond evidencing an obligation of the County to make payments of the principal of and premium, if any, and interest on the Bonds pursuant to this ordinance. The County and the Registrar and Paying Agent may treat as and deem the Depository Trust Company or CEDE & CO. to be the absolute

bondholder of each of the Bonds for the purpose of (i) payment of the principal of and premium, if any, and interest on such Bonds; (ii) giving notices of redemption and other notices permitted to be given to bondholders with respect to such Bonds; (iii) registering transfers with respect to such Bonds; (iv) obtaining any consent or other action required or permitted to be taken of or by bondholders; (v) voting; and (vi) for all other purposes whatsoever. The Paying Agent shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of the Depository Trust Company, and all such payments shall be valid and effective fully to satisfy and discharge the County's and the Paying Agent's obligations with respect to principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. Upon delivery by the Depository Trust Company to the County of written notice to the effect that the Depository Trust Company has determined to substitute a new nominee in place of CEDE & CO., and subject to the provisions herein with respect to consents, the words "CEDE & CO." in this ordinance shall refer to such new nominee of the Depository Trust Company. Notwithstanding any other provision hereof to the contrary, so long as any Bond is registered in the name of CEDE & CO., as nominee of the Depository Trust Company, all payments with respect to the principal of and premium, if any, and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Depository Trust Company as provided in a representation letter from the County to the Depository Trust Company.

Upon receipt by the County of written notice from the Depository Trust Company to the effect that the Depository Trust Company is unable or unwilling to discharge its responsibilities and no substitute depository willing to undertake the functions of the Depository Trust Company hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, then the Bonds shall no longer be restricted to being registered in the register of the County kept by the Registrar in the name of CEDE & CO., as nominee of the Depository Trust Company, but may be registered in whatever name or names the bondholders transferring or exchanging the Bonds shall designate, in accordance with the provisions of this ordinance.

If the County determines that it is in the best interest of the bondholders that they be able to obtain certificates for the fully registered Bonds, the County may notify the Depository Trust Company and the Registrar, whereupon the Depository Trust Company will notify the Beneficial

Owners of the availability through the Depository Trust Company of certificates for the Bonds. In such event, the Registrar shall prepare, authenticate, transfer and exchange certificates for the Bonds as requested by the Depository Trust Company and any Beneficial Owners in appropriate amounts, and whenever the Depository Trust Company requests the County and the Registrar to do so, the Registrar and the County will cooperate with the Depository Trust Company by taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the fully registered Bonds of any Beneficial Owner's Depository Trust Company account or (ii) to arrange for another securities depository to maintain custody of certificates for and evidencing the Bonds.

If the Bonds shall no longer be restricted to being registered in the name of the Depository Trust Company, the Registrar shall cause the Bonds to be printed in blank in such number as the Registrar shall determine to be necessary or customary; provided, however, that the Registrar shall not be required to have such Bonds printed until it shall have received from the County indemnification for all costs and expenses associated with such printing.

In connection with any notice or other communication to be provided to bondholders by the County or the Registrar with respect to any consent or other action to be taken by bondholders, the County or the Registrar, as the case may be, shall establish a record date for such consent or other action and give the Depository Trust Company notice of such record date not less than fifteen (15) calendar days in advance of such record date to the extent possible.

So long as the Bonds are registered in the name of the Depository Trust Company or CEDE & CO. or any substitute nominee, the County and the Registrar and Paying Agent shall be entitled to request and to rely upon a certificate or other written representation from the Beneficial Owners of the Bonds or from the Depository Trust Company on behalf of such Beneficial Owners stating the amount of their respective beneficial ownership interests in the Bonds and setting forth the consent, advice, direction, demand or vote of the Beneficial Owners as of a record date selected by the Registrar and the Depository Trust Company, to the same extent as if such consent, advice, direction, demand or vote were made by the bondholders for purposes of this ordinance and the County and the Registrar and Paying Agent shall for such purposes treat the Beneficial Owners as the bondholders. Along with any such certificate or representation, the Registrar may request the Depository Trust Company to deliver, or cause to be

delivered, to the Registrar a list of all Beneficial Owners of the Bonds, together with the dollar amount of each Beneficial Owner's interest in the Bonds and the current addresses of such Beneficial Owners.

(f) The Bonds are subject to optional redemption at any time beginning no earlier than December 1, 2016, on thirty (30) days' written notice, in whole or in part, in the order of maturity as determined by the County and by lot within a maturity, at face value, with no premium, plus in each case accrued interest to the date of redemption.

Any Bonds issued as term bonds, upon election of the purchaser of the Bonds, shall be subject to mandatory sinking fund redemption on June 1 and December 1 at 100% of face value in accordance with the maturity schedule hereinafter determined in accordance with the maturity schedule hereinafter determined in accordance with subsection (a). The Registrar shall credit against the mandatory sinking fund requirement for any term bonds, and any corresponding mandatory redemption obligation, in the order determined by the County, any term bonds maturing on the same date which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the County and not theretofore applied as a credit against any redemption obligation. Each term bond so delivered or canceled shall be credited by the Registrar at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory redemption date for that term bond. Any excess of such amount shall be credited on future redemption obligations, and the principal amount of that term bond to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced.

Each Five Thousand Dollars (\$5,000) principal amount shall be considered a separate Bond for purposes of optional and mandatory redemption. If less than an entire maturity is called for redemption, the Bonds to be called shall be selected by lot by the Registrar. If some bonds are to be redeemed by optional redemption and mandatory sinking fund redemption on the same date, the Registrar shall select by lot the bonds for optional redemption before selecting the bonds by lot for the mandatory sinking fund redemption.

In either case, notice of such redemption shall be mailed to the address of the registered owner as shown on the registration records of the Registrar, as of the date which is forty-five (45) days prior to the date fixed for redemption, but not less than thirty (30) days prior to such

redemption date, unless notice is waived by the owner of the Bond or Bonds redeemed. The notice shall specify the date and place of redemption and sufficient identification of the Bonds called for redemption. The place of redemption may be determined by the County. Interest on the Bonds so called for redemption shall cease and the Bonds will no longer be deemed outstanding under this ordinance on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price on the date so named. Coincidentally with the payment of the redemption price, the Bonds so called for redemption shall be surrendered for cancellation.

Section 3. Form of Bond. The Bonds shall be issued in substantially the following form, all blanks to be filled in properly prior to delivery:

Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to Tippecanoe County, Indiana, or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS W RONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.

(b) If the Bonds are sold to an underwriter and will be re-offered, distribution of an Official Statement (preliminary and final) for the Bonds, prepared on behalf of the County, is hereby authorized and approved and the Board of Commissioners and Auditor are authorized and directed to execute the Official Statement on behalf of the County in a form consistent with this ordinance. The Board of Commissioners or Auditor is hereby authorized to designate the preliminary Official Statement as "nearly final" for purposes of Rule 15c2-12 as promulgated by the Securities and Exchange Commission.

(c) If necessary to sell the Bonds, the Board of Commissioners and Auditor are hereby authorized and directed to complete, execute and attest, on behalf of the County, a Continuing Disclosure Agreement ("Agreement") that complies with the

requirements of SEC Rule 15c2-12. Notwithstanding any other provisions of this ordinance, failure of the County to comply with the Agreement shall not be considered an event of default under the Bonds or this ordinance.

(d) If the financial advisor to the County certifies to the County that it would be economically advantageous for the County to obtain a municipal bond insurance policy the County hereby authorizes the purchase of such an insurance policy. The acquisition of a municipal bond insurance policy is hereby deemed economically advantageous if the difference between the present value cost of (a) the total debt service on the Bonds if issued without municipal bond insurance and (b) the total debt service on the Bonds if issued with municipal bond insurance, is greater than the cost of the premium on the municipal bond insurance policy. If such an insurance policy is purchased, the Board of Commissioners and the Auditor are hereby authorized to execute and deliver all agreements with the provider of the insurance policy to the extent necessary to comply with the terms of such insurance policy and the commitment to issue such policy. Such agreement shall be deemed a part of this ordinance for all purposes and is hereby incorporated herein by reference.

Section 6. Defeasance. If, when the Bonds or any portion thereof shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or a portion thereof for redemption shall have been given, and the whole amount of the principal and the interest and the premium, if any, so due and payable upon all of the Bonds then outstanding or any portion thereof shall be paid, or (i) sufficient moneys, or (ii) direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, the principal of and the interest on which when due will provide sufficient moneys, or shall be held in trust for such purpose, and provision shall also be made for paying all fees and expenses for the redemption, then and in that case the Bonds issued hereunder or any designated portion thereof shall no longer be deemed outstanding or entitled to the pledge of the EDIT Revenues.

Section 7. Pledge of EDIT Revenues. The Bonds, as to both principal and interest, are payable from and secured solely by an irrevocable pledge of the EDIT Revenues. The County hereby pledges EDIT Revenues and investment earnings on EDIT Revenues to secure the

payment of the Bonds, such pledge to be effective under IC 5-1-14-4 without filing or recording of this ordinance or any other instrument. The Bonds are within every limit of indebtedness of the County as prescribed by the Constitution of the State of Indiana.

Section 8. Deposit and Application of Bond Proceeds; Debt Service Reserve Account. (a) Concurrently with the delivery of the Bonds, the Auditor shall refund and defease the Refunded Bonds. In order to refund the Refunded Bonds, the Auditor shall use an amount of bond proceeds sufficient to pay for the payment of the principal of and interest on the Refunded Bonds on the date of delivery of the Bonds. After paying issuance expenses, any remaining proceeds shall be deposited in a separate subaccount of the Repair and Replacement Fund.

(b) There is hereby created the Debt Service Reserve Account ("Reserve Account"). Upon the refunding of the Refunded Bonds, any balance accumulated in the 2000 Debt Service Reserve Account created for the Refunded Bonds from cash on hand shall be deposited into the Repair and Replacement Fund created for the Project under subsection (c). The County may deposit on the date of delivery of the Bonds into the Reserve Account, funds on hand (including funds in the 2000 Debt Service Account), Bond proceeds, a debt service reserve surety or any combination thereof. The initial deposit or the balance accumulated in the Reserve Account shall equal but not exceed the least of: (i) the maximum annual debt service on the Bonds; (ii) 125% of average annual debt service on the Bonds; or (iii) 10% of the proceeds of the Bonds ("Reserve Requirement"). If the initial deposit into the Reserve Account does not cause the balance therein to equal the Reserve Requirement, or if no deposit is made, an amount of the EDIT Revenues shall be credited to the Reserve Account on the last days of May and November until the balance therein equals the Reserve Requirement. The semiannual deposits shall be equal in amount and sufficient to accumulate the Reserve Requirement within five years of the date of delivery of the Bonds.

The Reserve Account may be satisfied with cash, a debt service reserve surety bond or a combination thereof. The surety bond must be issued by an insurance company rated in the highest rating category by Standard & Poor's Corporation and Moody's Investors Service. If a surety bond is purchased, the Board of Commissioners and the Auditor are hereby authorized to execute and deliver all agreements with the provider of the surety bond necessary to comply with

the terms of such surety bond. The Reserve Account shall constitute the margin for safety and a protection against default in the payment of principal of and interest on the Bonds, and the moneys in the Reserve Account shall be used only to pay current principal and interest on the Bonds to the extent that moneys in the Bond Fund are insufficient for that purpose. Any deficiency in the balance maintained in the Reserve Account shall be made up from the next available EDIT Revenues remaining after credits into the Bond Fund. Any moneys in the Reserve Account in excess of the Reserve Requirement shall be used for the purchase of outstanding Bonds or installments of principal of fully registered Bonds at a price not exceeding par and accrued interest, or shall be transferred to the County's general fund.

(c) The Repair and Replacement Fund is created hereby as a nonreverting fund to be used solely for repairs and replacements for the Project. This Fund shall be funded with funds in the 2000 Debt Service Reserve Account released upon issuance of the Bonds and Bond proceeds, if any, remaining after refunding the Refunded Bonds and paying issuance expenses. Any Bond proceeds deposited in this Fund shall be held in a separate subaccount and spent first for such repair or replacements. No funds in the Repair and Replacement Fund are pledged to the payment of the Bonds. Moneys in the Fund and the interest thereon shall never revert to the County General Fund.

Section 9. Additional Bonds. The County reserves the right to authorize and issue additional obligations payable from EDIT Revenues ranking on a parity with the Bonds authorized by this ordinance, subject to the following conditions:

(a) All interest and principal payments of bonds payable from EDIT Revenues shall have been paid to date in accordance with the terms thereof and all required payments into the Bond Fund shall have been made in accordance with the terms of this ordinance;

(b) The amount of EDIT Revenues to be received in each succeeding year shall be at least equal to 125% of the principal and interest requirements of the outstanding bonds and the proposed additional parity bonds for each year during the term of the outstanding bonds. For purposes of this subsection, the showings required herein shall be prepared by a certified public accountant retained by the County for that purpose;

(c) Principal of and interest on any additional parity obligations shall be payable on June 1 and December 1 or January 1 and July 1. Lease rentals on any parity

obligations which are leases shall be payable semiannually on June 1 and December 1 or January 1 and July 1.

Section 10. Investment of Funds; Financial Records. The Auditor is hereby authorized to invest moneys pursuant to IC 5-1-14-3 and the provisions of this ordinance at a yield (subject to applicable requirements of federal law to insure such yield is then current market rate) to the extent necessary or advisable to preserve the exclusion from gross income of interest on the Bonds under federal law.

The Auditor shall keep full and accurate records of investment earnings and income from moneys held in the funds and accounts created or referenced herein. In order to comply with the provisions of the ordinance, the Auditor is hereby authorized and directed to employ consultants or attorneys from time to time to advise the County as to requirements of federal law to preserve the tax exclusion.

Section 11. Covenant Not to Repeal Tax; Further Covenants of the County; Contract with Bondholders. (a) The provisions of this ordinance shall constitute a contract by and between the County and the owners of the Bonds. After the issuance of the Bonds, this ordinance or the definition of, the manner of collecting and distributing, or pledge of EDIT Revenues or the lien created by this ordinance, shall not be repealed or amended (except as specifically provided in Sections 12 and 13), or impaired in any respect which will adversely affect the rights of owners of the Bonds, nor shall the County adopt any law, resolution, order or ordinance which in any way adversely affects the rights of such owners so long as any of the Bonds or the interest thereon remains unpaid.

(b) The County will take no action to rescind EDIT.

Section 12. Supplemental Ordinances. The County may, without the consent of, or notice to, any of the owners of the Bonds, adopt a supplemental ordinance for any one or more of the following purposes:

(a) To cure any ambiguity or formal defect or omission in this ordinance;

(b) To grant to or confer upon the owners of the Bonds any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the owners of the Bonds;

(c) To modify, amend or supplement this ordinance to permit the qualification of the

Bonds for sale under the securities laws of the United States of America or of any of the states of the United States of America or the qualification of this ordinance under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect if such modification, amendment or supplement will not have a material adverse effect on the owners of the Bonds;

- (d) To provide for the refunding or advance refunding of all or a portion of the Bonds;
- (e) To provide for the issuance of parity obligations by the County; or
- (f) For any other purpose which does not adversely affect the interests of the owners of the Bonds in any material way.

Section 13. Amendments with Consent of Bondholders. The owners of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds then outstanding who are, in the sole judgment of the County, affected shall have the right, from time to time, anything contained in the ordinance to the contrary notwithstanding, to consent to and approve the adoption by the County of such supplemental ordinances as shall be deemed necessary and desirable by the County for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this ordinance or in any supplemental ordinance other than those provisions covered by Section 12; provided however, that nothing in this Section contained shall permit, or be construed as permitting, without the consent of the owners of all the then outstanding Bonds affected, any of the following: (a) an extension of the maturity, or mandatory sinking fund redemption schedule, of the principal of and interest on any Bonds payable from EDIT Revenues; (b) a reduction in the principal amount of any Bond or change in the rate of interest; (c) a privilege or priority of any Bond or Bonds over any other bond or bonds; (d) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance; (e) the creation of any lien securing any Bonds other than a lien ratably securing all of the Bonds at any time outstanding hereunder (except as now provided in this ordinance); (f) a change in the method of accrual of interest on any Bonds; or (g) a reduction in the Reserve Requirement.

If at any time the Council desires to adopt a supplemental ordinance for any of the purposes set forth in this Section, the County shall cause notice of the proposed adoption of such supplemental ordinance to be mailed by registered or certified mail to each owner of a Bond at

the address shown on the registration books maintained by the Registrar. Such notice shall briefly set forth the nature of the proposed supplemental ordinance and shall state that copies thereof are on file at its office for inspection by all owners of Bonds. If, within 60 days, or such longer period as shall be prescribed by the County, following the mailing of such notice, the owners of not less than fifty-one percent (51%) in aggregate principal amount of the Bonds outstanding at the time of the execution of any such supplemental ordinance shall have consented to and approved the execution of such supplemental ordinance, no owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the County from adopting the same or from taking any action pursuant to the provisions thereof. Upon the adoption of any such supplemental ordinance as is permitted and provided by this Section, this ordinance shall be and be deemed to be modified and amended in accordance therewith.

Any consent, request, direction, approval, objection or other instrument required by this ordinance to be signed and executed by the owners of the Bonds may be in any number of concurrent writings of similar tenor and may be signed or executed by such owners of the Bonds in person or by agent appointed in writing. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of the Bonds, if made in the following manner, shall be sufficient for any of the purposes of this ordinance, and shall be conclusive in favor of the County with regard to any action taken by it or them under such request or other instrument, namely:

(i) The fact and date of the execution by any person of any such writing may be proved (i) by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or (ii) by an affidavit of any witness to such execution.

(ii) The fact of ownership of Bonds and the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the registration books maintained by the Registrar.

Section 14. Tax Covenants and Representations. In order to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as existing on the date of issuance of the Bonds and the

Regulations in effect and applicable to the Bonds on the date of issuance of the Bonds

(collectively, "Code") and as an inducement to purchasers of the Bonds, the Council represents, covenants and agrees that:

(a) Since the date of issuance of the Refunded Bonds and until the earlier of the last date of the reasonably expected economic life of the Project or the latest maturity date of the Bonds (the "Combined Measurement Period"), the Project will be available for use by members of the general public. Use by a member of the general public means use by natural persons not engaged in a trade or business. The Project is a public parking garage adjacent to the County office building and available only for general public use. During the Combined Measurement Period, no person or entity other than the County or another state or local governmental unit will use more than 10% of the proceeds of the Bonds or property financed by the Bond proceeds other than as a member of the general public. During the Combined Measurement Period, no person or entity other than the County or another state or local governmental unit will own property financed by Bond proceeds or will have any actual or beneficial use of such property pursuant to a lease, a management or incentive payment contract, arrangements such as take-or-pay or output contracts or any other type of arrangement that conveys other special legal entitlements and differentiates that person's or entity's use of such property from use by the general public, unless such uses in the aggregate relate to no more than 10% of the proceeds of the Bonds. If the County enters into a management contract for the Project, the terms of the contract will comply with IRS Revenue Procedure 97-13, as it may be amended, supplemented or superseded from time to time, so that the contract will not give rise to private business use under the Code and the Regulations, unless such use in aggregate relates to no more than 10% of the proceeds of the Bonds.

(b) No more than 10% of the principal of or interest on the Bonds and the Refunded Bonds over the Combined Measurement Period is (under the terms of the Bonds, the Refunded Bonds, this ordinance or any underlying arrangement), directly or indirectly, secured by an interest in property used or to be used for any private business use or payments in respect of any private business use or payments in respect of such property or to be derived from payments

(whether or not to the County) in respect of such property or borrowed money used or to be used for a private business use.

(c) During the Combined Measurement Period, no more than 5% of the Bond proceeds or the Refunded Bond proceeds will be or have been loaned to any person or entity other than another state or local governmental unit. No more than 5% of the Bond proceeds or the Refunded Bond proceeds will be or have been transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond proceeds.

(d) The County reasonably expects, as of the date hereof, that the Bonds will not meet either the private business use test described in paragraph (a) and (b) above or the private loan test described in paragraph (c) above for the Combined Measurement Period.

(e) During the Combined Measurement Period, no more than 5% of the proceeds of the Bonds or the Refunded Bonds will be attributable to private business use as described in (a) and private security or payments described in (b) attributable to unrelated or disproportionate private business use. For this purpose, the private business use test is applied by taking into account only use that is not related to any governmental

use of proceeds of the issue (Unrelated Use) and use that is related but disproportionate to any governmental use of those proceeds (Disproportionate Use).

(f) The County will not take any action nor fail to take any action with respect to the Bonds or the Refunded Bonds that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds or the Refunded Bonds pursuant to Section 103 of the Code, nor will the County act in any other manner which would adversely affect such exclusion. The County covenants and agrees not to enter into any

contracts or arrangements which would cause the Bonds or the Refunded Bonds to be treated as private activity bonds under Section 141 of the Code.

(g) It shall be not an event of default under this ordinance if the interest on any Bond is not excludable from gross income for federal tax purposes or otherwise

pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds.

(h) These covenants are based solely on current law in effect and in existence on the date of delivery of such Bonds.

(i) The County represents that, if necessary, it will rebate any arbitrage profits to the United States of America in accordance with the Code.

(j) The County represents that:

(i) The Bonds are not private activity bonds as defined in Section 141 of the Code;

(ii) The County hereby designates the Bonds as qualified tax-exempt obligations for purposes of Section 265(b) of the Code;

(iii) The reasonably anticipated amount of qualified tax-exempt obligations (including qualified 501(c)(3) obligations and tax-exempt leases but excluding other private activity bonds) which will be issued by the County, and all entities subordinate to the County during 2006 does not exceed \$10,000,000; and

(iv) The County will not designate more than \$10,000,000 of qualified tax-exempt obligations during 2006. Therefore, the Bonds qualify for the exception in the Code from the disallowance of 100% of the deduction by financial institutions of interest expense allocable to newly acquired tax-exempt obligations.

(k) Notwithstanding any other provisions of this ordinance, the covenants and authorizations contained in this ordinance ("Tax Sections") which are designed to preserve the exclusion of interest on the Bonds from gross income under federal law ("Tax Exemption") need not be complied with if the County receives an opinion of nationally recognized bond counsel that compliance with any Tax Section is unnecessary to preserve the Tax Exemption.

Section 15. Debt Limit Not Exceeded. The County represents and covenants that the Bonds herein authorized, when combined with other outstanding indebtedness of the County, will not exceed any applicable constitutional or statutory limitation on the County's indebtedness.

Section 16. Severability. If any section, paragraph or provision of this ordinance shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this ordinance.

Section 17. Repeal of Conflicting Provisions. All ordinances, or parts thereof, in conflict with the provisions of this ordinance, are, to the extent of such conflict, hereby repealed or amended; provided, however, that this ordinance shall not be construed as adversely affecting the rights of the owners of the Refunded Bonds.

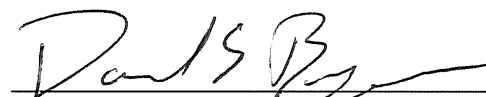

Section 18. Effective Date. This ordinance shall be in full force and effect immediately upon its passage.
